following:

**I.

3.4 Jurisdiction is proper in this Court because the amount in controversy exceeds the minimum jurisdictional limits of this Court. Plaintiffs seek monetary relief of one hundred thousand dollars or less, including damages of any kind, penalties, costs, expenses, pre-judgment interest and attorneys' fees.

IV. STATEMENT OF FACTS

4.1 This is a petition for uninsured motorist benefits arising from an automobile accident which occurred on or about September 27, 2017 (hereinafter referred to as "the Collision") in Harris County, Texas.

4.2 At the time of the collision, SHERRY PRITCHARD was a beneficiary insured under Policy Number 3234-042-53A (hereafter "Insurance Policy") with STATE FARM. The Insurance Policy was in force and in effect at the time of the collision which forms the basis of this lawsuit and contained, among other coverages, coverage for Uninsured/Underinsured Motorist benefits in the amount of at least \$100,000 per person, and \$300,000 per accident applicable to this claim and this accident, and which are the subject of this lawsuit.

4.3 Pursuant to the Insurance Policy, STATE FARM promised to Plaintiff, all sums which STATE FARM is legally obligated to pay under the Insurance Policy, including loss caused by bodily injury resulting from the ownership, maintenance, or use of an uninsured/underinsured motor vehicle.

4.4 Plaintiff has complied with all conditions precedent in the policy to bring this claim.

4.5 At the time of the collision, Plaintiff was operating and occupying the automobile that is listed on the Insurance Policy with STATE FARM. An uninsured motorist, ISAAC ORTEGA, caused a collision with Plaintiff's vehicle.

4.6 The uninsured motorist was not known to have a valid insurance policy, and therefore was an uninsured motorist at the time of the accident, and caused the accident with Plaintiff's vehicle.

4.7 As a direct result of the automobile collision, Plaintiff sustained serious, permanent and painful bodily injuries.

V.

PLAINTIFF'S INJURIES AND DAMAGES

5.1 As a result of this occurrence, Plaintiff has suffered bodily injuries and damages. In addition, Plaintiff continues to suffer pain. These injuries have required reasonable and necessary medical treatment and procedures. Such injuries are permanent in nature and are, in reasonable probability, likely to continue into the future.

5.2 Plaintiff has suffered and seeks the following damages:

- a. **Medical Expenses**: Plaintiff has incurred medical expenses. These expenses were incurred for reasonable and necessary care and treatment of these injuries. The charges incurred are reasonable and were the usual and customary charges for the same or similar services at the time and place rendered. Plaintiff also expects to incur additional expenses in the future in an amount within the jurisdictional limits of this Court;
- b. **Physical Pain And Suffering**: Plaintiff has endured severe physical pain and suffering in the past and will continue to endure severe physical pain and suffering in the future;
- c. **Mental Anguish**: Plaintiff has endured severe mental anguish in the past and will continue to endure severe mental anguish in the future;
- d. **Loss of Earning Capacity**: Plaintiff has sustained a loss of net earnings in the past, and in reasonable probability, Plaintiff will sustain a loss of earning capacity in the future;
- e. **Physical Impairment**: Plaintiff has suffered physical impairment in the past and will continue to suffer physical impairment in the future; and

5.3 By reason of the above and foregoing, Plaintiff has been damaged in a sum within the jurisdictional limits of this Court, for which Plaintiff hereby sues.

VI.

THE RIGHT TO SUPPLEMENT AND TO AMEND THIS PETITION

6.1 Plaintiff reserves the right to plead further injuries and acts of negligence subsequent to further discovery in this cause.

VII.

BACKGROUND REGARDING EXTRA-CONTRACTUAL CLAIMS

9.1 Plaintiff incorporates by reference the facts asserted above herein by reference.

9.2 On December 2, 2018, counsel for Plaintiff forwarded a demand for payment of the policy limits on the Uninsured Motorist claim. STATE FARM acknowledged receipt of the demand letter, and after Plaintiff provided all of the necessary documentation requested, subsequently made an offer of settlement that was well below Plaintiff's medical bills. Despite receiving all of the items, statements, and forms required by the insurer, STATE FARM has failed and refused to pay Plaintiff fully for the benefits to which Plaintiff is entitled to properly and fully compensate Plaintiff for damages under the Insurance Policy as a result of the accident. Such conduct is an unreasonable delay in payment of the claim.

VIII.

**CHAPTER 541 TEXAS INSURANCE CODE:
UNFAIR METHODS OF COMPETITION AND UNFAIR OR
DECEPTIVE ACTS OR PRACTICES**

10.1 Defendant STATE FARM has engaged in unfair methods of competition or unfair or deceptive acts or practices in the handling of Plaintiffs' underinsured motorist claim. STATE FARM has violated § 541.060 of the Texas Insurance Code by:

1. Failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of a claim with respect to which the insurer's liability has become reasonably clear; and
2. Failing to promptly provide to a policyholder a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's offer of a compromise settlement of a claim;

10.2 Pursuant to § 541.151 of the Texas Insurance Code, a person who sustains actual damages may bring an action against another person for those damages caused by the other person engaging in an act or practice, and pursuant to § 541.152, Plaintiff may obtain relief including the amount of actual damages, plus court costs and reasonable and necessary attorneys' fees.

IX.

ATTORNEYS' FEES ON EXTRA-CONTRACTUAL CLAIMS

12.1 As a result of the conduct of STATE FARM as described above, Plaintiff has been forced to retain legal counsel. The contract provides for usual and customary, reasonable and necessary, and just and equitable attorneys' fees.

X.

NOTICE OF SELF-AUTHENTICATION OF DOCUMENTS

13.1 Pursuant to Rule 193.7 of the Texas Rules of Civil Procedure, this shall serve as written notice of the Plaintiffs' intent to self-authenticate any and all documents produced in discovery, and that such documents may be used against the party producing same at any pre-trial proceeding, hearing and at the time of any trial, post-trial matter or appeal regarding this case.

XI.

PRAAYER

WHEREFORE, PREMISES CONSIDERED, Plaintiff have and recover of and from Defendant damages as alleged, jointly and severally, with prejudgment and post-judgment

interest, costs of Court, attorney's fees, and such other and further relief, general and special, at law or in equity, as Plaintiff may be entitled to receive.

XII.
REQUEST FOR DISCLOSURE

Pursuant to Rule 194 of the Texas Rules of Civil Procedure, Plaintiff, requests that Defendant disclose within fifty (50) days of service of this request, the information or material described in Rule 194.2.

XIII.

DEFENDANT'S ORIGINAL ANSWER

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW, **STATE FARM MUTUAL AUTOMOBILE INSURANCE COMPANY**, (hereinafter referred to as "State Farm"), Defendant in the above-entitled and numbered cause, and files this Original Answer to Plaintiff's Original Petition and all subsequent supplemental and/or amended petitions filed against it and would respectfully show the Court and Jury as follows:

I.

Pursuant to the provisions of Rule 92 of the Texas Rules of Civil Procedure, Defendant denies each and every, all and singular, the allegations contained in the Plaintiff's Original Petition, and demands strict proof thereof.

II.

Defendant would show that Plaintiff has failed to fulfill the conditions precedent for bringing an uninsured/underinsured motorist claim against Defendant. Specifically, Plaintiff has failed to establish that he is legally entitled to recover damages from the owner or operator of an uninsured or underinsured motor vehicle because of bodily injury sustained by him, caused by an accident.

III.

Pleading further, Defendant would show that it is entitled to all credits and offsets allowed under the policy against any damages awarded by the jury. Such credits and offsets include, but are ***not limited to***, all Personal Injury Protection (PIP) payments previously made by State Farm to Plaintiff. Defendant is also entitled to an offset in the amount of all of the alleged tortfeasor's liability limits.

IV.

Defendant would show that the alleged tortfeasor in this case are not uninsured or underinsured as defined by the policy.

V.

Defendant would show that Plaintiff's "extra-contractual" allegations are premature and without merit since no breach of the contract has occurred.

VI.

Defendant would show any claim for breach of contract is meritless; specifically, Defendant cannot be in breach of the contract because there has been no determine of (1) liability, and (2) that Plaintiff's damages exceed to tortfeasor's policy limits, and all other applicable offsets and credits.

VII.

Defendant asserts that Plaintiff is not entitled to attorney fees in this case as there has not yet been a showing of liability or damages entitling Plaintiff to recovery of uninsured/underinsured motorist benefits.

VIII.

Defendant asserts that Plaintiff is not entitled to pre-judgment interest or any other damages beyond the policy limits of uninsured/underinsured motorist coverage under the subject insurance contract.

IX.

Plaintiff's rights to recover medical expenses are limited by the provision of Tex. Civ. Prac. & Rem. Code 41.0105. Plaintiff is only entitled to recover the amount paid or incurred by or on behalf of the Plaintiff.

X.

Defendant asserts that Plaintiff has failed to mediate her alleged damages.
